OBJECTIVE

SOC Analyst gained high experience in monitoring security events investigating alerts and responding to incidents to protect organizational assets. Have strong skills in SIEM monitoring, log analysis, threat detection, and incident handling. Strong analytical mindset with the ability to identify suspicious activities. Continuously improving my detection and response capabilities. Aspiring to contribute to a proactive and helpful SOC team to enhance my incident response effectiveness.

EDUCATION

Major: Communications and Electronics Engineering.   Sep 2021 – Present
Faculty of Engineering, Minya University, Egypt

EXPERIENCES

Cyber Security Incident Response Analyst   Dec 2025 – Present
DEPI & MCIT
Gaining skills and experience in incident response and SOC operations field

Network & Cyber Security Instructor   Sep 2025 – Present
Creativa Minia & SATC
Currently training Graduate & under-graduate students on network security, cybersecurity fundamentals, incident handling, and SOC operations.

Cyber Security Internship (Best Intern Titled)   Oct 2025
UneeQ
Network monitoring, Vulnerability assessment & scanning, Managing cyber threats

Communications & IT Summer Internship   Jul 2025 – Aug 2025
Ministry of Communications and Information Technology
Network Infrastructure, Fortinet, Alert triaging & incident response, Data center & virtualization, and VoIP & wireless communications

Network Security & Cybersecurity Operations Associate Internship   Mar 2025 – May 2025
National Telecommunication Institute
Gained hands-on experience in network security tools, SIEM solution, vulnerability assessment, basic forensic analysis, and cybersecurity operations

CERTIFICATES

Certified in Cybersecurity CC   Mar 2026
ISC2

Advent of Cyber 2025   24 Dec 2025
TryHackMe

Fortinet Certified Associate in Cybersecurity   01 Jun 2025
Fortinet Academy

PROFESSIONAL TRAININGS & COURSES

SOC Level 1   Jul 2025 – Feb 2026
TryHackMe

Multivendor-Firewall   Jan 2026 – Feb 2026
National Telecommunication Institute

Incident Handling & Response Professional Learning path   Oct 2025
Information Technology Institute (Mahara-Tech)

Cyber Threat Management   Sep 2025 – Oct 2025
CISCO & Be Ready

SEC450-GSOC Prep   Sep 2025
Netriders Academy & SANS Institute

eCIR Prep   Jul 2025 – Sep 2025
Netriders Academy & INE labs

FCP Network-Security Forti-Manager 7.6 *Fortinet Academy*	Jun 2025 – Jul 2025
FCA-FortiGate 7.4 Operator *Fortinet Academy*	May 2025 – Jun 2025
Network Security & Cyber Security Operations Associate *National Telecommunication Institute*	Mar 2025 – May 2025
Red Hat System Admin *Information Technology Institute (Mahara-Tech)*	Mar 2025 – Apr 2025
Python Programming Basics *Mahara-Tech*	Mar 2025 – Apr 2025
Ethical Hacking *Information Technology Institute (Mahara-Tech)*	Apr 2025
MCSA Windows Server 2019 Course *Brains Academy*	Jan 2025 – Mar 2025
Cybersecurity Operations Associate Course *National Telecommunication Institute*	Nov 2024 – Jan 2025
CCNP Enterprise (350-401 ENCOR) Course *Brains Academy*	Sep 2024 – Nov 2024
Cisco Firewall ASA Course *Brains Academy*	Jul 2024 – Sep 2024
CCNA 200-301 Course *Brains Academy*	Feb 2024 – Apr 2024

SKILLS

Tech Skills
- Incident Response
- SIEM
- Network Monitoring
- Digital Forensics
- Networking
- Alert triaging

Soft skills
- Presentation
- Problem-solving
- Team working
- Communication

LANGUAGE SKILLS

Arabic (Native Language)	**English** (Fluent)

ACTIVITIES

IT-Gate CTF Blue Team 1st Place [HellFire_Club Team] *IT-Gate* Topics:[Digital Forensics, Network Monitor, Steganography, Cryptography]	Feb 2026
CTF Cyber Champions *ZINAD IT & Information technology institute* Forensics & Crypto	Feb 2026
Egypt National Cybersecurity CTF *Cyber Talents* Forensics	Jan 2026
0xL4ugh CTF *Forensics & OSINT*	Jan 2026
